INDIANA UTILITY  
REGULATORY COMMISSION

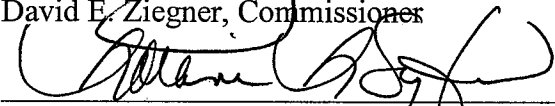

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") caused the following entry to be made in this Cause:

On December 15, 2005, PSI Energy, Inc. ("Petitioner") filed its petition for a finding of confidentiality of certain portions of its 2005 Integrated Resource Plan ("IRP"). Pursuant to 170 IAC 4-7-3(f), Petitioner is required to file concurrently: (1) a redacted version of its IRP, and (2) a nonredacted version under seal which the Commission must treat as confidential pending a final determination as to whether the information is entitled to confidential treatment in accordance with Ind. Code §§ 8-1-2-29 and 5-14-3. Petitioner did not contemporaneously submit a nonredacted version under seal.

Accordingly, the Presiding Officers find that the Petitioner should submit, via hand delivery, a nonredacted version of its IRP under seal and marked as confidential to the presiding administrative law judge by January 9, 2006. The Commission will hold the nonredacted version of the IRP confidential until a final determination of confidentiality is made in accordance with the procedure set forth in 170 IAC 4-7-3(f).

**IT IS SO ORDERED.**
